

Breastfeeding Rights « California Breastfeeding Coalition

 californiabreastfeeding.org/breastfeedingrights/

California has some of the strongest laws and regulations in the nation to support breastfeeding and lactating individuals when they are in hospitals, in workplaces, in schools and in public places. Below is more information about the requirements for each place and how to make a complaint when one feels that the law is not being followed.

- **Public Places**
- **Workplaces**
- **Hospitals**
- **Schools (K-12)**
- Public Colleges/Universities
- Travel
- Jury Duty
- Custody Issues
- Incarceration
